❖ Code of Chivalry of the Knights of Aquarius ❖

Planning that saves lives • Service that restores dignity • Courage that defends truth

As Knights of Aquarius, we live by a higher code. Our honour is not in conquest, but in conscience. Our strength is not in wealth, but in truth. Our purpose is not in power, but in service.

❖ *Service Before Self*

I place the needs of the harmed, the voiceless, and the exploited above personal gain.

❖ *Courage in the Face of Resistance*

I will speak truth, even when it costs me standing, acceptance, or reward.

❖ *Compassion Without Condition*

I will honour the dignity of every person, regardless of status, creed, or circumstance.

❖ *Integrity Without Compromise*

I will not manipulate, exploit, or conceal. My dealings shall be transparent and just.

❖ *Guardianship of Sovereignty*

I will protect the agency and freedom of those I serve, never placing chains of dependency upon them.

❖ *Justice Through Advocacy*

I will challenge systems of harm, standing with the oppressed against exploitation and silence.

❖ *Wisdom Through Humility*

I will seek growth, reflection, and learning, knowing I am always apprentice as well as guide.

❖ *Community Over Isolation*

I will walk in fellowship with other Knights, knowing we are stronger together than apart.

❖ *Peace Over Power*

I will not use force or fear. My influence shall be conscience, compassion, and example.

❖ ***Light in the Darkness***

I will be a bearer of hope where there is despair, clarity where there is confusion, and renewal where there is ruin.

**We are Knights of Aquarius.
Bound not by hierarchy, but by honour.
Not by institution, but by integrity.
Not by conquest, but by service.**

**We stand as guardians of a new age.
We save lives.
We restore dignity.
We protect truth.**
